ALBERT URIA

Albert studied at the prestigious Photographic Institute of Barcelona. His enthusiasm and his passion for his vocation quickly led him to produce four short films and to direct two of them. They earned several awards including a nomination for the Spanish Academy Film Awards. Success in commercials quickly followed and he founded Garage Films in 2003 with offices in Spain, South America and USA. Since then he has directed for brands such as Nike, Ikea, Ford, Nissan, Seat, Honda, X-box, Motorola & VW. Albert's trademark style features strong acting performances combined with a highly aesthetic visual style that keeps him high on the wish list of European Agencies.
