BRUCE ST CLAIR

Bruce St. Clair has been described as courageous, ambitious and modest, among other things. His style is incredibly well-rounded and diverse; full of epic sweeping landscapes, complex VFX, choreography, seamless post production and considered direction. Particularly prominent is his automotive work, of which his clients include mini, Audi, Mercedes, Lexus, Kia and Fiat. Further clients include ilea and California Lottery. Being a multi-linguist Englishman who was born in Italy and lives in Spain, he has worked extensively across Europe and the US, bringing an expansive and global perspective to his work.

AWARDS

Bruce's diverse output has won a plethora of awards and has been celebrated at industry leading ceremonies like Cannes Lions, D&AD's and the Clios
