## **FEDERICO MAZZARISI**

Federico is an award-winning Italian director currently based in Italy. He has experience directing narrative and commercial projects in 16mm, 35mm, and digital film. Graduated in Film Design in IED Milano, European Institute of Design, he moved to London to study at the prestigious NFTS, National Film and Television School. His work has taken him to be selected among many different festivals, including British Arrows, Cannes Lions, Berlin Commercial, Milan Fashion Film Festival. In 2020 his short film won a Cannes Silver Lion at Young Director Award. With a background in philosophy, Federico shows a strong interest in the international narrative power of images, which has made him traveling worldwide, collecting knowledge from different cultures in stories, visual storytelling, and photography.
